Device Insurance Plan for Accidental Damage – Annual Required Coverage

An annual insurance plan has been designed to help families if there is an accident that causes damage to the school issued device.

This insurance coverage will repair/replace the device for accidental damage with no cost incurred by the student for the first incident. Subsequent damage repairs during the covered year will have a deductible assessed per instance. Insurance will cover a maximum of 3 damage occurrences during the covered year. The deductible fee schedule for each damage occurrence is outlined below.

2022-2023 INSURANCE FEES

Insurance plan purchase (required and billed through FACTS)

- \$50.00 per device, per year

Device Damage/Occurrence Fees

- First Occurrence - NO CHARGE
- Second Occurrence – deductible assessed, but not to exceed \$50
- Third Occurrence – deductible assessed, but not to exceed \$150
- Thereafter – full repair/replacement cost

ITEMS NOT COVERED BY THIS INSURANCE PLAN

Lost charging cords

- In the event of a lost charging cord, the student is responsible for purchasing a replacement.

Intentional damage

- Any damage due to misuse, neglect or any other form of intentional damage will result in fees up to the full cost of replacing the device.
- Damage due to removal or failure to use the required protective case will result in fees up to the full cost of replacing the device.
- Lost devices are not covered by this plan.
- Stolen devices are only covered by this plan when a police report is filed and provided to the school.
